**Letter of recommendation for the Art Project  
"Go Ganesha Go: Remove of Obstacles" by Rose Marie Gnausch**

The project "Go Ganesha Go: Remove of Obstacles" by Rose Marie Gnausch is a brilliant, creative and imaginative one and its aim is to provide someone the chance to voice peace and friendship between the people.

Especially for Cyprus, a divided island, "Ganesha" sends messages of reconciliation and peaceful co-existence between the two communities of the island.
