PER CREARE UNA RETE DI PACE NEL MONDO!

YOU are invited to participate to the International Exhibition of Elephants for Peace in the City of Catania, ITALY.

*Send your drawing or artwork to "I.C. Italo Calvino" School
Via Brindisi 11, Catania (IT)*

For more information :

The elephant is a symbol combining Power with Pace, it never abuses his power, it knows no enemies in the animal realm and lives in harmony with its disparate surrounding.

It is another form of leadership and represents the silent peaceful majority.

Elephants for Peace will show your peace elephant in Catania during an international exhibition and from there it will travel the world for you!

For peace!
